Kids on holiday
a special blog for kids

Where do you go on holiday? What can you do there? Describe the place.
Post a picture and write to our blog!

 My name is Lucas. I'm from Pergamino. Every summer, I go to Necochea on holiday with my family. We love it! It's very quiet so we can relax. This is a photo of Parque Lillo in Necochea. It is beautiful.

In this park, you can ride your bike and walk. Near the park, there is a casino. My mum and dad go there in the evening. I can't go with them to the casino; it is for adults. I stay at home and watch TV.

 Hello, I am Katya. This is my grandmother's house in Tandil. I love it! Tandil is a quiet city in Buenos Aires province. I go there on holiday every summer. Look at the picture: the house is not small.

There is an enormous TV in the living-room. In her lovely garden, Granny has got a big swimming pool with a lot of very comfortable deck chairs beside it. On Sundays, my grandfather makes *asado* under a big tree for my sister and me. It is delicious!
